

PaleoGreens Organic powder - Lemon/Lime flavor

Comprehensive Wellness (Powder or Capsule)

Great tasting greens food made with organic ingredients PaleoGreens™ is the great tasting lemon/lime flavored Designs for Health greens food made with organic ingredients, and with the principles of wholesome Paleolithic nutrition in mind. It contains cleansing, regenerative and alkalizing grass juices, algae, enzymes, prebiotics, and is combined with high ORAC value vegetables, fruits and berries. Unlike other greens products, we never add fillers or bulking agents (such as whole grasses, apple fiber or pectin, rice bran, or flax), which can greatly dilute nutritional potency and are a potential source of genetically modified material.

Because the cellulose fiber in whole grass is indigestible, it prevents the grass's valuable phytonutrients from being released in the digestive system. For this reason, we use only grass juices. In every spoonful of PaleoGreens™, you receive densely packed nutrition that intensely nourishes and strengthens every system in your body, resulting in sustained energy, enhanced recovery, mental clarity and overall well-being.

PaleoGreens™ is special not only because of its extraordinary formula, but also because we meticulously cultivate and protect all the precious constituents contained in it. We work closely with our certified organic growers to ensure the optimal development of enzymes and beneficial phytonutrients in PaleoGreens™ ingredients. These ingredients are harvested at their peak of potency and immediately concentrated and dried by utilizing proprietary cool-temperature processes that preserve their energetic and nutritional integrity. Studies have shown that these unique technologies offer unprecedented protection of the enzymes and other valuable phytonutrient constituents. Our PET packaging further protects PaleoGreens™ from damaging light, oxygen and moisture after bottling. We are certain you will find PaleoGreens™ to be the highest quality and best tasting greens product you've ever experienced.

Why are PaleoGreens™ unique and superior to other greens products?

- * Organic ingredients, which means PaleoGreens™ is free of pesticides, insecticides, heavy metals
- * Paleo profile: no grain/legumes fibers or components, least allergenic
- * No alfalfa, a common ingredient in all other leading brands (which has been shown to cause autoimmune disease)
- * Special gentle processing that retains potency
- * Proven ORAC (Oxygen Radical Absorbency Capacity) value
- * Great taste, with no added sugar; organic lemon/lime flavor

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Other Ingredients: Organic rice flour, Manioc starch, natural flavors, stevia extract, and unbleached lecithin.

This product does not contain: yeast, soy, gluten, eggs, dairy, corn, artificial colors, flavors, sugars, or preservatives.

One serving has equivalent antioxidant capacity to 4 servings of vegetables, based on ORAC (Oxygen Radical Absorption Capacity), a USDA-developed method for measuring antioxidant activity.

Serving Size: 1 tablespoon (9 g).

Recommended Use: One tablespoon mixed in water.

PaleoGreens™

Comprehensive Wellness • Paleo Products

PaleoGreens™ is the great tasting Designs for Health greens food made with over 70% organic ingredients. The vegetable, fruit, and berry ingredients are brightly colored and non-oxidized, as the powders are protected from heat, UV light and moisture from start to finish. These greens have a Paleo profile; they contain no grains, legumes, alfalfa, corn, gluten, fructose or artificial sweeteners. Unlike other greens products, we never add inexpensive fillers or bulking agents such as fiber, whole grasses, pectin, rice bran, and/or flax, which account for 40% to 60% of the content of most other greens products. We work closely with our certified organic growers to ensure the optimal preservation of enzymes and beneficial phytonutrients in PaleoGreens™ ingredients. These ingredients are harvested at their peak of potency and immediately concentrated and dried by utilizing proprietary cool-temperature processes that preserve their energetic and nutritional integrity. Also, PaleoGreens™ has been verified to be gluten free.

Recommended Use: As a dietary supplement, take 9 grams (approx. 1 tablespoon) mixed with water or as directed by your health care practitioner.

Serving Size: 9 grams (approx. 1 tablespoon)
